

**TAKI**  
make Your war Beautiful

## Introducing Girl God

**G**irl God's mission is to transform pain and change the negative energy of personal "wars" into something beautiful through high end fashion, art and music

Girl God is born out of TAKI's witness to atrocities committed against Women during Liberia's Civil War.

Girl God jackets are "crowns", designed to honor regardless of the wars waged against every Woman across the world. The Girl God product line creates one of a kind hand designed jackets using reclaimed military uniforms as its canvas. These jackets connect our customers to this movement.

## OUR MISSION

**W**orld of Taki Gold represents an artistic way of expressing the transformation of personal wars into something beautiful in three distinct ways - fashion, music and art. The fashion line, Girl God, was created to pay homage to strength and power in Women. His music creates a cadence that represents an interpretation of the war sounds in a different light. TAKI paints on canvas with a multidimensional approach that reflects the intensity of darkness and the richness of gold. His art honors Women who are devalued across the world.

## OUR FOCUS

**W**e believe in creating art that ignites Your personal strength enabling Your internal energy to overcome personal "wars". We want to create a brand movement that recognizes Women as Gods with equal energy.

## DESIGNED FOR MEANING

Every embellishment added to a Girl God jacket holds meaning beyond playful celebration and beauty

Our oneness as Gods is most notably connected through our blood

## Here is my Crown story LISA WATSON

**A**bout eight months ago, in a coffee shop while waiting for my oat vanilla latte, I had a chance encounter with Girl God designer, TAKI. This encounter created a paradigm shift so powerful that the course of my life would be forever changed. On the brink of failed relationship number three, I found myself so intrigued by his story and passion for honoring the Women who shaped him as a child in the Liberian Civil War. It ignited a power deep within my soul. Right away I asked TAKI to commission a crown for me. A crown that told my victory story as he called it. A story of survival from rape, domestic violence, and stage 4 cancer. All of these victory stories are a part of me and my crown. When I wear it I feel fierce, courageous and inspired to give strength to others by sharing my story. Wearing this crown allows me to embrace my past and look forward to the future. I am no longer a victim of my personal "wars".

Lisa was the name that was given to me as a girl. Love I'll See Again is my name as a Girl God.

**TAKI** is available by appointment only to create Your custom crown.
